

RFQ #10477

Submitted on: 2025-09-28 04:41:24

We are seeking quotations from qualified suppliers for the provision of various automobile parts and components intended for maintenance and repair of our existing fleet of vehicles. The requested items include engines, tires, brake components, batteries, and other essential automotive parts. All products must meet OEM specifications, be compatible with standard commercial vehicles, and comply with applicable quality and safety standards. The selected supplier(s) should ensure timely delivery, warranty coverage, and provide documentation certifying the authenticity and performance of the supplied items.

Items

Name	Quantity	Category
Automobile Engine	1	Engine Repair
Tires	4	Tires & Wheels
Shock Absorbers	3	Suspension & Steering
